# 1. Institutional Overview

Radhakrishna Institute of Technology & Engineering (RITE), Bhubaneswar, continues its mission of delivering quality technical education through innovation, academic excellence, and industry integration. During the academic session 2024–25, the institute undertook significant initiatives aligned with NEP-2020, Outcome-Based Education (OBE), and skill-centric learning.

The institution organized a wide range of academic programs, conferences, FDPs, placement drives, and social outreach initiatives aimed at nurturing professional competence and holistic personality development among students.

The year was marked by expansion in AI-based learning programs, extensive internships, faculty certification initiatives, and innovation-driven activities documented through institutional publications and event records.

# 2. Vision, Mission and Core Objectives

## 2.1 Vision

RITE strives to emerge as an institution of excellence in technical education and management studies through an innovative learning environment and industry-academia collaborations to produce committed professionals and entrepreneurs of the highest quality to cater for the growing technological and socio-economic needs.

## 2.2 Mission

- To engage in the right pursuit of imparting quality education to the students.
- Provide an innovative study environment.
- Promote research and industrial collaborations.

- Uplift skills for better assimilation of knowledge, positive attitude and social responsibility

## 2.3 Strategic Focus Areas for 2024–25

- Integration of Artificial Intelligence in curriculum delivery.
- Strengthening industry collaboration and internships.
- Faculty skill enhancement through FDPs.
- Student employability and entrepreneurial mindset development.

# 3. Academic Planning and Curriculum Enrichment

During the session, the institution implemented various curriculum enrichment initiatives including:

- Workshops on Virtual Labs in collaboration with IIT Kanpur.
- Panel discussions on NEP-2020 implementation.
- STTP on Transformative Education integrating AI tools.
- FDP on Moodle LMS with Spoken Tutorial IIT Bombay.

These initiatives supported digital pedagogy, blended learning, and enhanced student engagement methodologies.

# 4. Teaching–Learning Process

## 4.1 Outcome-Based Education

Departments followed OBE principles emphasizing:

- Continuous assessment methods

- Project-based learning
- Industry-relevant assignments

## 4.2 ICT Enabled Teaching

- Adoption of Moodle LMS
- Integration of AI tools in classroom activities
- Virtual Lab demonstrations

## 4.3 Academic Support Activities

- Induction Program for Freshers
- Academic Writing and Research Management STTP
- Invited talks on Data Engineering and Entrepreneurship

These initiatives enhanced academic quality and student-centric learning approaches.

# 5. Research, Conferences and Innovation

## 5.1 International Conference

The International Conference on Advancement in Engineering, Science and Management (ICAESM-2024) provided a platform for interdisciplinary research exchange involving keynote sessions, technical presentations, and collaborative discussions.

## 5.2 Innovation and Entrepreneurship Activities

- Youth Conclave on startups and innovation
- Entrepreneurship outreach programs
- Industry interaction sessions

## 5.3 Institutional Innovation Cell (IIC)

Faculty and students actively participated in innovation ambassador training and entrepreneurship-related programs, strengthening the innovation ecosystem.

# 6. Faculty Development and Professional Growth

## 6.1 FDPs and Training Programs

Faculty members attended:

- FDP on Moodle Learning Management System
- FDP on Latex & Xfig
- Case-Based Teaching FDP (BPUT & World Skill Centre)
- AI and Data Analytics certifications

## 6.2 Spoken Tutorial Certifications

A large number of faculty completed Moodle Teachers Certification through Spoken Tutorial IIT Bombay, enhancing digital teaching competency.

## 6.3 Online Certifications

Faculty successfully completed Coursera and Google Cloud certifications such as:

- Introduction to Generative AI
- AI for Everyone
- AWS Fundamentals

These programs improved pedagogical innovation and technical expertise.

## 7. Student Development Initiatives

### 7.1 Skill Development Programs

- Generative AI SDP with NxtWave
- Drone Technology and CAD/CAM Seminar
- Productivity Enhancement with ChatGPT
- Programming Language Workshops

### 7.2 Placement Preparation

- Crack the Placement Seminar
- Campus Placement Drives (Qspiders Bengaluru, Academor)
- Industry-focused technical sessions

These initiatives improved technical confidence and career readiness.

## 8. Internship, Training and Industry Collaboration

RITE demonstrated strong industry engagement during the session.

### 8.1 Major Internship Programs

Large-scale multidisciplinary internships were conducted in Robotics & Automation with industry partner Oltron Technology involving students from CSE, CE, EE, ME, and ECE branches.

## 8.2 Certification-Based Internships

Students completed online certification programs such as Big Data Modeling and Management Systems through Coursera, improving global competency.

## 8.3 Industrial Visits

- STPI Bhubaneswar
- CIPET and CTTC
- SDI Bhubaneswar

These visits bridged theoretical knowledge with industrial exposure.

# 9. Co-Curricular Activities and Institutional Events

The academic year included diverse co-curricular programs:

- National Space Day Observation
- Engineers' Day Celebration
- National Education Day
- Har Ghar Tiranga Pledge
- Anti-Ragging Week

Such activities fostered leadership, awareness, and teamwork among students.

## 10. Sports, Cultural and Institutional Celebrations

### 10.1 Sports Activities

The JRG Sports Carnival 2024–25 promoted sportsmanship, teamwork, and physical fitness among students.

### 10.2 Cultural Celebrations

Events included:

- Saraswati Puja
- Ganesh Puja
- Janmastami

## **12. Institutional Publications and Knowledge Sharing**

The institute continued publishing its institutional newsletter “RITE SRUJAN,” documenting academic activities, faculty achievements, and student accomplishments throughout the year.

## **13. Infrastructure and Digital Initiatives**

- Implementation of LMS-based teaching
- Smart classrooms and seminar halls
- Digital certification programs
- Industry 4.0 webinars

The institution focused on modernizing infrastructure to support experiential learning.

## **14. Quality Assurance and IQAC Initiatives**

IQAC played a crucial role in:

- Monitoring academic audits
- Organizing FDPs and seminars
- Promoting outcome-based learning
- Strengthening student feedback mechanisms

Continuous quality improvement ensured alignment with NAAC standards.

## 15. Achievements and Recognitions

### Faculty Achievements

- Multiple certifications in AI, Cloud Computing, and Digital Pedagogy.
- Participation in innovation conclaves and FDPs.

### Student Achievements

- Certifications in Big Data and AI domains.
- Participation in Techno Management Fest competitions.
- Successful internship completions.

## 16. Major Institutional Milestones (2024–25)

- Successful ICAESM-2024 International Conference
- Extensive AI-focused academic programs
- Large-scale internship participation
- Continuous faculty certification initiatives
- Techno Management Fest 2025 and Graduation Day celebrations
- Expansion of innovation and entrepreneurship activities

## 17. Outcome and Impact Analysis

The initiatives undertaken during the academic year resulted in:

- Enhanced student employability skills
- Improved digital teaching capabilities
- Stronger industry collaboration
- Increased research and innovation activities
- Holistic development through sports, culture, and NSS programs

## 18. Future Roadmap (2025–26)

The institute aims to:

- Introduce more AI-driven academic programs.
- Strengthen research collaborations.
- Expand global certification initiatives.
- Enhance startup incubation and innovation ecosystem.
- Improve placement outcomes through industry partnerships.

## 19. Conclusion

The academic session 2024–25 marked a transformative phase for Radhakrishna Institute of Technology & Engineering. Through sustained academic innovation, faculty development, industry engagement, and student-centric initiatives, the institute reinforced its commitment to excellence in technical education.

RITE continues to evolve as a progressive institution dedicated to nurturing skilled professionals equipped with technical competence, ethical values, and leadership qualities to meet global challenges.
