About the Institute

The Radhakrishna Institute of Technology and Engineering (RITE) is a JRG Educational Trust initiative. The trust takes its roots from the life and philosophy of noted social worker and philanthrope Shri Jagdish Raiji Gupta. The objective of the trust has been to impart education to all strata of the Indian society and to equate the Indian educated youth with the heights scaled by their counterparts abroad. Apart from this primary objective, the group continues to bear the beacon of social upliftment of the backward sections of the Indian society. The trust is home to a host of eminent members of the Indian intelligentsia which comprise the five founder members. Founder members Mr. Adi Narayan Gupta, Mr. Vineet M. Gupta, Mr. Jitendra Mohan Gupta, Mr. Abhisekh Gupta and Mr. Harsh Mohan Gupta are the pillars of strength, resource and support on which the trust functions.

Salient Features

- The only institute with comprehensive hands-on training to churn out industry-ready professionals.
- Meticulously chosen faculty, state-of-the-art infrastructure and strategic placement partners.
- Placements assured by host of reputed promoters, supported by the team of trustees and industrial tie ups.
- Academic tie ups with HCL, CADD Center and JCLE & CISCO
- Strategically located at the education hub of Odisha, that is Bhubaneswar.

Vision

RITE strives to emerge as an institution of excellence in technical education and management studies through an innovative learning environment and industry-academia collaborations to produce committed professionals and entrepreneurs of the highest quality to cater for the growing technological and socio-economic needs.

Mission

- To engage in the right pursuit of imparting quality education to the students.
- Provide an innovative study environment.
- Promote research and industrial collaborations.
- Uplift skills for better assimilation of knowledge, positive attitude and social responsibility

Principal
Radhakrishna Institute of Technology
and Engineering

Core Values

- Personal and Institutional Integrity.
- Commitment to quality, value and community welfare.
- Competition and creativity as tenets of its existence.
- Open and proactive academic ambience to foster efficiency and collective productivity.
- Continuous development of its people, processes and policies
