About the College:

The Radhakrishna Institute of Technology and Engineering (RITE) is a JRG Educational Trust initiative. The trust takes its roots from the life and philosophy of noted social worker and philanthropist Shri Jagdish Raiji Gupta. The objective of the trust has been to impart education to all strata of the Indian society and to equate the Indian educated youth with the heights scaled by their counterparts abroad. Apart from the primary objective, the group continues to bear the beacon of social upliftment of the backward sections of the Indian society. The trust is a home to a host of eminent members of the Indian intelligentsia which comprises of the five founder members. Founder members Mr. Adi Narayan Gupta, Mr. Vineet M. Gupta, Mr. Jitendra Mohan Gupta, Mr. Abhisekh Gupta and Mr. Harsh Mohan Gupta are the pillars of strength, resource and support on which the trust functions.

The only institute which provides hands-on training to churn out industry-ready professionals. Meticulously chosen faculties, state-of-the-art infrastructure and strategic placement partners. Placements are assured by host of reputed promoters, supported by the team of trustees and industrial tie ups. Academic tie ups are with the most prominent companies such as, HCL, CADD Center and JCLE & CISCO. Strategically located at the education hub of Bhubaneswar which is the capital city of the state of Odisha.

About the Department:

The Mechanical Engineering Department of RITE, endeavours to be recognized for outstanding education, research and hands-on experience leading to well qualified engineers, who are innovative, entrepreneurial and successful in the field of mechanical engineering to cater to the emerging technological needs. It is committed to impart quality education to produce world class mechanical engineers. The department has an excellent academic environment and state of art in research facilities. It also helps students to pursue their intellectual pursuit through industrial interaction. The teachers of the department are committed to enhance professional skills by inculcating the attitude of entrepreneurship among the students.
