

### **About the College**

The Radhakrishna Institute of Technology and Engineering (RITE) is a JRG Educational Trust initiative. The trust takes its roots from the life and philosophy of noted social worker and philanthropist Shri Jagdish Rai ji Gupta. The objective of the trust has been to impart education to all strata of the Indian society and to equate the Indian educated youth with the heights scaled by their counterparts abroad. Apart from this primary objective, the group continues to bear the beacon of social upliftment of the backward sections of the Indian society. The trust is home to a host of eminent members of the Indian intelligentsia which comprise the five founder members.

### **About the Course**

Achievement in business can be greatly improved with an understanding of key entrepreneurial features and competencies/ solutions. This add-on certification course provides potential entrepreneurs with the knowledge of succeeding in an entrepreneurial opportunity. Topics include: how creativity, opportunity and feasibility are best evaluated; business strategies for new

businesses; importance of a business plan; achieving success in a new business. At the end of the course participants will have the skills and confidence to evaluate starting a business, in addition to becoming more enterprising in how they approach their roles should they decide to work in organizations.

### **Outcomes of Course**

By the end of this course, participants will be able to learn about:

- The many faces of and contexts for entrepreneurship
- The entrepreneurial process and how to manage it
- What it takes to be an entrepreneur and your own potential to be one
- To recognize opportunities to generate and assess your own business idea
- To explain the business planning process
- To apply entrepreneurial approaches, concepts and methods to your own business idea
- The operational issues in developing new business ventures
