

About the College

The Radhakrishna Institute of Technology and Engineering (RITE) is a JRG Educational Trust initiative. The trust takes its roots from the life and philosophy of noted social worker and philanthrope Shri Jagdish Rai ji Gupta. The objective of the trust has been to impart education to all strata of the Indian society and to equate the Indian educated youth with the heights scaled by their counterparts abroad. Apart from this primary objective, the group continues to bear the beacon of social upliftment of the backward sections of the Indian society. The trust is home to a host of eminent members of the Indian intelligentsia which comprise the five founder members.

About the Course

This course contains over lectures. The content includes tactics about public speaking that help you speak in an effective way with your peers. The course is delivered in a format that is easily digestible for beginners to learn public speaking. Each tactic includes an overview of why it works, and an example of how you can apply it in the real world during public speaking. Learning public speaking

fundamentals will benefit you professionally as you gain skills and acquire tools that will enable you to lead your team, create a cohesive momentum within your work place and become a strong speaker/communicator in any situation! This is an important skill for leaders and anyone dealing with a team or people to have in order to create a successful workplace environment. This course is full of examples and activities that allow you to practice what you are learning!

Outcomes of Course

By the end of this course, participants will be able to:

- Create opening and closing statements in a way that will activate the brain.
- Design problem and solution statements that engage the imagination.
- Apply a strategy to effectively transition between ideas.
- Use a series of physical tactics to communicate confidence irrespective of how you feel.
- Identify a new way to practice speaking and deal with nervousness.
