

Radhakrishna Institute of Technology and Engineering (RITE)

Affiliated by (AICTE), MHRD Govt. of India, New Delhi & (BPUT), Govt. of Odisha

10 Years Strategic Plan of the Institute

The plans and policies of the institute are framed in such a manner that they meet stakeholders' expectations. Some of the plans & policies of the Institute are as follows:

1. To Modernize existing infrastructure conducive to the Teaching & Learning process.

Status: Enrichment of existing labs and creation of new Hi-tech labs are going on from time to time.

2. To encourage & create an ecosystem within campus for existing faculty members to obtain Ph.D qualification.

Status: Continuous Initiatives have been taken.

3. To introduce new UG & PG Programs and increase the intake of students in existing programs.

Status: Continuous Initiatives have been taken.

4. To encourage students to become entrepreneurs.

Status: We are in a process of establishing an Incubation Centre. Currently we are collaborating with nearest TBI.

5. To make use of technologies for providing skill sets and additional self-learning.

Status: Continuous Initiatives have been taken.

6. To collaborate with international/National institutions of higher learning & research organizations.

Status: Continuous Initiatives have been taken.

7. To establish collaborative laboratories with the support of industry.

Status: Though college is making massive efforts but yet not achieved.

8. To provide one specialized Lab for each discipline.

Status: Advanced Computational laboratory has been established.

9. Training and retraining of new and existing faculty members in the Art of Teaching.

Status: FDP are organized regularly. Faculty is also encouraged to attend FDP at other locations.

10. To create awareness among the faculty about Washington Accord and OBE (Outcome Based Education) system.

Status: Faculty is encouraged to attend W/s, seminars and FDP related to OBE.

11. To get more Grants/Funds from various government agencies like AICTE, DST, CSIR etc, for organizing conferences, workshops, FDPs, research projects etc.

Status: Continuous Initiatives have been taken.

12. To encourage faculty members to get industry sponsored and Consultancy Projects from government/non-government bodies.

Status: Continuous Initiatives have been taken.

13. To motivate faculty members for doing intensive research and to obtain Patents for their research findings.

Status: Continuous efforts have been made and significant achievement has been done in publishing 68 research papers, 14 patents, 05 books and 08 book chapters and conferences. The research promotion and incentive based policies have been instructed in achieving this milestone.

14. NAAC Accreditation for the institute.

Status: Currently institute is taking all necessary steps to achieve accreditation from NAAC in Grade A.

15. To get Autonomy.

Status: Yet to be achieved.

16. To initiation of some new programs like pharmacy, MCA & MBA.

Status: New programs like MBA in 2020, MCA in 2022, B. Pharma & D. Pharma in 2022 have been introduced.

17. To achieve RITE to be introduced in the top 5 engineering college in the state.

Status: Yet to be achieved.
