Answer:

- A. 4 or All of the above

Green Campus Policy

Radhakrishna Institute of Technology &
Engineering, Bhubaneswar

(BPUT affiliated, AICTE approved & NAAC accredited)

POLICY TOWARDS GREEN CAMPUS

Radhakrishna Institute of Technology & Engineering is located in the Khordha, Odisha. Besides, the Management is of the firm belief that the campus should be aesthetic with greenery and abundant trees, plants and saplings to boost both the physical and the emotional health of the students and faculty members, office staff and all the users of the campus.

The following are the policy of the Institution towards maintaining the Green Campus:

1. Maintenance of already existing greenery.
2. Planting of saplings, plants periodically.
3. Consciously striving towards less use of Paper
4. Plastic to be banned within the campus
5. Digital library with facilities for e-learning
6. Cleanliness drive through the NSS wing.
7. Usage of LEDs in the campus.
8. Green audit to be conducted
9. Rainwater re-charging unit in the campus
10. Sensitization programs to be organized towards maintenance of green campus.

The Principal ably supported by the Management, Faculty members, students and all the faculty members to strive towards the maintenance of Green Campus, thus contributing to a cleaner India and sensitizing the future generations about the same.

Plastic Ban Policy

Radhakrishna Institute of Technology &
Engineering, Bhubaneswar

(BFUT affiliated, AICTE approved & NAAC accredited)

Plastic Ban Policy

Radhakrishna Institute of Technology and Engineering, Khordha, Odisha following the global urge for sustainable environment and sustainable development decide to ban the use of all kinds of plastic in the College campus.

a) The institution shall undertake a systematic campaign to reduce the usage plastic, especially of the single use plastic.

b) The use of single-use plastic items by the stakeholders is detrimental to the environment, public health, and welfare of the society.

c) The distribution of single-use plastic items requires utilization of natural resources and results in the generation of greenhouse gas emissions.

d) Single-use plastic items contribute to environmental problems, including litter in the landscape, drains, rivers and streams, and the ocean.

e) Single-use plastic items impose unseen costs on the stakeholders, local governments, the state, and environment and constitute a public nuisance.

Radhakrishna Institute of Technology and Engineering, Khordha, Odisha therefore declares that it should ban the use of single-use plastic items:

1. Ban the use of single-use plastics in canteens, hostels and in all the premises of the College.
2. Conduct awareness sessions, training programmes and workshops on the harmful impacts of single use plastics.
3. Encourage students, faculty and administrators to avoid bringing non-bio degradable plastic items to the institution.
4. Encourage students to sensitize their respective households about the harmful effects of plastics and make their households 'plastic free'.
5. Mandate all departments/offices to avoid the use of plastic water bottles, encourage use of alternative solutions like jute files, paper folders, cloth bags, paper bags etc. for programmes, instead of plastic bottles, bags, covers and other goods on the campus.
- 6 The College shall make provisions to provide steel cups and plates for serving food on the occasions of programmes organised by different clubs and associations.
